First Report Shows \$2757 Collected

A total of \$2757 was reported collected so far in the current Community Chest drive for \$12,000 to carry on welfare and social work in Redwood City, when members of the chest directorate met Tuesday.

Campaign Director Winfield Scott, although pointing out that the drive had been on more than a week already, said that the amount reported was not necessarily discouraging since a number of precinct captains had not been heard from and the downtown canvass being made by the Lions Club had not really been set under way as yet.

"Nor have we yet heard from some of the larger organizations in Redwood City," Scott added.

Modernization Program For Store Completed

With new counters which extend around two sides, new candy cases, new refrigeration units, new magazine racks and new tobacco cases all installed, a modernization program for Blake's Candy Store, 806 Main St., Redwood City, has been completed. The firm, which has been operated here for 17 years, is owned by Mr. and Mrs. H. R. Blake.

Chocolate Cake Proves Popular

Shortly after this picture was taken, less than nothing remained of this beautiful all-chocolate cake, for Miss Nancy Baker, popular economist who last week conducted the big three-day Happy Kitchen Cooking School sponsored by the Tribune invited the boys from the newspaper office to try it, and, well—things just happened. This cake was made from one of the recipes developed in Miss Baker's Happy Kitchen Workshop and was featured at the cooking school.

New Mobilization Plan Meets With Public Favor

Prompt, enthusiastic acceptance of the new "program of action" developed by the Boy Scouts of America for strengthening and invigorating Democracy, announced recently by Dr. James E. West, chief Scout executive, is reported by officials of the San Mateo County Scout Council, with an accompanying pledge of complete and immediate co-operation.

Hailed as "efficient," "practical" and "stirring," the plan involves growth by every troop, cub pack and senior scouting unit in preparation for service opportunities. New groups are being organized to enable more boys to become Scouts, increasing the number of those trained for service. Surveys have shown that three out of four boys want to become Scouts.

Scouts have been effective in emergencies because they are able to assemble quickly. All troops, it is expected, will develop mobilization plans, including those that can be used when ordinary lines of communication are disrupted. Such mobilizations show how many trained hands could be had for emergency service.

Louis B. Dematteis of Redwood City is heading a committee to organize branches of the emergency corps to put through the mobilization plans. A trial "disaster" mobilization will be held in December. Branches of the corps will include signal corps, mounted messenger corps, field kitchen corps, first aid corps, fire corps, and rescue corps, with each troop co-ordinated in case of a general disaster. Heading

the group will be the mounted Explorer Troop 151 of Burlingame and Sea Scout Ships.

Cub leaders and parents of cubs last night participated in the National Cub Leadership Training Course held in Hayward Park School, San Mateo. Other sessions will be held Monday and Tuesday of next week.

Marine Corps Reserve Offers Memberships

There are a few vacancies open to new men in the San Mateo County Unit of the Marine Corps Reserve, according to First Lieut. Edward F. Howatt. The recruiting staff's headquarters are on the San Mateo High School campus. The local unit, Company C, is part of the 12th battalion, U. S. Marine Corps Reserve, with headquarters in San Francisco. Members of the reserve are not required to register for elective service in the army.

'Mystery Woman' Identified as Oaklander

The "mystery woman" brought to the county jail at Redwood City Tuesday apparently suffering from amnesia was identified today through fingerprints as Thorne Heydenfeldt, 33, practical nurse sentenced to the state hospital at Stockton Sept. 28, 1937. She had been paroled to her parents, residents of Oakland, who called for her this afternoon. Miss Heydenfeldt did not recognize them, jailers said.

During the World war, about 4,058,000 individuals served in the American forces.

MOFFETT FIELD—Construction of 150 new dwelling units for this army air base was assured Monday when \$45,782,500 was allocated in Washington to the Public Buildings Administration for construction of 70 defense housing projects for the army to provide 13,000 dwelling units.

John M. Carmody, federal works administrator who made the announcement of the allocation, said the 70 projects will be in 28 states.

Eight projects consisting of 1950 dwelling units will be for occupancy of civilian defense workers and the remainder for married army personnel.

The following list shows some of the other projects, their location and number of dwelling units (projects will be occupied by army personnel unless designated civilian): Benicia Arsenal, Calif., 50 (civilian); Ford Ord, Calif., 100 (civilian); Fort Ord, Calif., 450.

S.F. Board Committee Approves Street Plan

Approval of an agreement for removing street car tracks from Third St. south of Channel St. was given yesterday by the streets committee of the San Francisco Board of Supervisors and the agreement will be submitted to the board at next Monday's meeting.

The agreement, calling for the city to pay paving costs of some \$80,000 for the widened thoroughfare, and the Market Street Railway to pay cost of removing the tracks, is the first step in a double move to provide Peninsula commuters with better transportation facilities.

If the agreement is given approval by the board of supervisors, the Market Street Railway Co. will proceed with plans to execute the Farlow Plan for revising service at the Third and Townsend St. depot. The plan will transfer street car loading from Third St. in front of the depot to Townsend St., provide faster street car service to downtown San Francisco and afford a safety factor by decreasing the volume of truck and auto traffic at the place where commuters board and leave street cars.

The Third St. project, full cost of which is estimated at \$500,000, will provide a wide thoroughfare for auto traffic from the Peninsula.

ROAD CONTRACT AWARDED

On their low bid of \$23,185, submitted a week ago, Plombo Brothers & Co. of San Francisco today were awarded a contract by the State Department of Public Works to grade and surface 6 mile of roadway on the coast highway between Edgemar and Thornton Beach in San Mateo County.

Sold: \$500 Down, Balance Easy Terms

Claiming her father once sold her for \$1500, then repossessed her when the buyer defaulted on payments, Rachel Steril, gypsy miss, appeared in Justice Court in San Jose, Calif., She was arrested with Gypsy Peter John, 24, with whom she ran away from a Gilroy ranch, and whom the elder Steril accuses of child stealing.

Boys' Glee Club Is Formed

Sequoia High Bass Clef, traditional boys' glee club at the high school, held its organization meeting Monday, elected John Carrington president and began work on an operetta, "Heads Off."

Seventeen boys have signed up for membership. Elected as a board of directors were Bob Callahan, Jack Blair, Anthony Giraldes and Wesley Lynes. Other members are Paul Pfandl, Earl Russell, Robert Burns, Arthur Lyons, Wilton Johnson, Julian Ducray, Blair Coombes, Walter Bradshaw, Glenn Stewart, Patrick Bransan, Jack Roach and Dick Downs.

The group meets once a week for an hour of singing. A similar organization for girls is called Treble Clef.

Miss Mildred Proctor, Sequoia home arts teacher, has returned to her place on the faculty after confinement to her home the entire summer and the first four weeks of the fall term with an injured arm.

Registration Plans Made For County

County Clerk W. H. Augustus has announced completion of arrangements for conducting the peace time draft registration a week from tomorrow in San Mateo County. A completely volunteer organization, headed by Maj. H. W. Edmonds, U. S. Army retired, of Redwood City has organized registration workers in the precincts, districts and areas.

Augustus announced the following regulations for the draft registration:

1. All male residents between ages 21 and 35, inclusive must register at the regular voting place in their home election precinct on Oct. 16 between 7 a.m. and 9 p.m.

2. Any such persons who are traveling or away from home, must present themselves to the nearest precinct board for registration and see that they get a certificate thereof.

3. Any person subject to draft after Oct. 16 must carry with him at all times his official certificate or be subject to arrest, fines and penalties. 4. All persons having to do with actual registration work must, before assuming their duties, be administered and subscribe to the official oath as prescribed by law.

Augustus and his organization have arranged to open 254 precincts for registration day, and to train some 1508 volunteer workers in registration duties. All of the election personnel assigned to the Nov. 5 general election volunteered to serve without pay Oct. 16, Augustus reported, except about 1 per cent

Advertising Program Planned on Peas

A nine-month advertising and merchandising program with its goal the movement of at least 23,000,000 cases of canned peas is planned by the Canned Pea Marketing Institute for 1940-41—according to Ray N. Peterson, advertising manager, Stokely-Van Camp's Inc., Indianapolis, member of the Institute's Merchandising Committee.

The initial step in the program which has been underwritten by packers of more than 60 per cent of the canned pea volume of the country will be the promotion of a "Canned Pea Carnival" from Oct. 21 to Nov. 15—with colorful advertising in national magazines and newspapers.

During the last organized promotion by the Pea Institute, canned pea consumption was increased 16 per cent. During the Summer of 1940, the pack of canned peas was bounteous and of exceptional quality.

MENLO PARK NEWS NOTES

MENLO PARK — About 14 young men in Menlo Park belonging to the Naval Reserve have been called to duty. Several will leave next week. They expect to be gone for a year.

Katherine McNamara, an old-time school teacher, passed away in San Francisco Tuesday. Miss McNamara was born in Mayfield and taught in the grammar school at Redwood City for some years, later moving to San Francisco, where she continued teaching. Miss McNamara was well-known on the Peninsula.

John Patterson and Edward Feeley are confined to the hospital, both being severely ill.

It was rumored this week that the Hopkins' 400-acre tract would be subdivided in small parcels and sold next Spring. This would be a big boom for Menlo Park. The property is the choice of the Peninsula and would bring ready sale. The dividing up of this tract would make Palo Alto and Menlo Park one large community, with the latter as the political end.

The announcement of the marriage of two popular young people in town will be made shortly. It will be a genuine sensation. Watch the Times-Gazette.

The veterans' organizations in Menlo Park will participate in the Armistice Day parade and are making elaborate preparations to that end. The parade this year will be longer than ever before.

'Vice President' To Assume Stanford Controller Duties

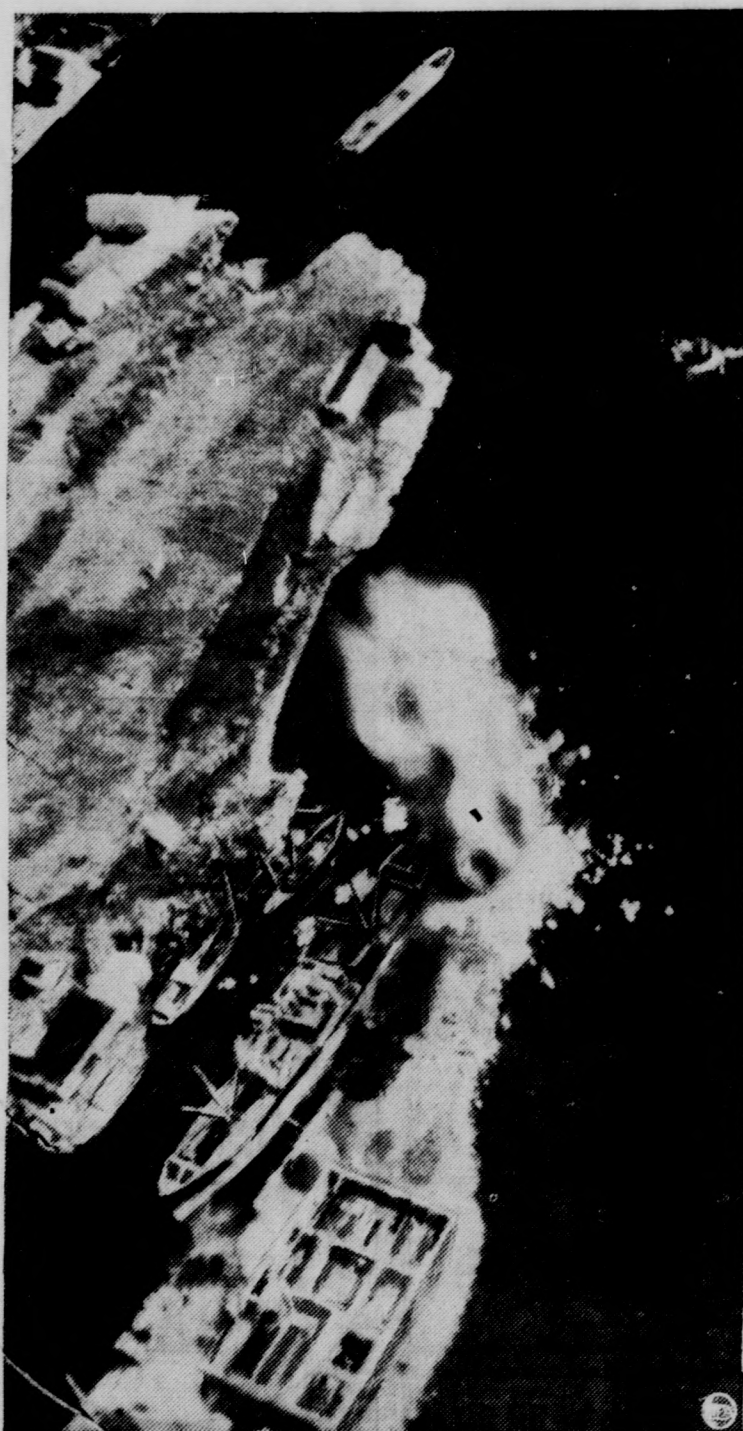

STANFORD UNIVERSITY—Frank Fish Walker of Hillsborough, 44, former New York broker, will on Nov. 1 become financial vice president of Stanford University—a newly created position which includes the duties of controller—Pres. Ray Lyman Wilbur announced last night.

Walker, who has been a trustee of the university for some time, will assume the duties formerly handled by Almon E. Roth as controller and in addition will take an interest in the investment policies of the university and act as secretary of the investment committee of the board of trustees, Dr. Wilbur said.

Roth, who had been on leave from March, 1938, until last month, when he was reappointed to a five-year term as president of the San Francisco Employers Council, had been succeeded by J. Hugh Jackson, dean of the graduate school of business, who had been acting controller.

Walker, a one-time rugby player for Stanford, left the university in 1917, shortly before his graduation, to go to war. He served in the U. S. Navy, emerging as a lieutenant, junior grade.

Willkie Session

Portola 'Town Meeting' May Be Forerunner of Others

Success of the two "town meetings" held in the Woodside-Portola area—the second Wednesday night—may lead to the staging of similar meetings over the nation, sponsors of the sessions said today after receiving word that Wendell L. Willkie, Republican presidential candidate, was extremely interested in such forums.

In fact, he sent a telegram to the meeting Wednesday which said:

"It is fitting to re-establish self-government in the land by the practice that first gave it birth—the town meeting. From the town meeting came the defeat of an earlier tyrant. Keep the ancient flame of liberty alight. We shall be free again."

David Wright of Woodside, one of the sponsors of the Portola gathering, said that it had been reported that Willkie was anxious to have such a plan carried out on a nationwide scale, and that similar meetings already were being planned, he had heard, at Menlo Park and at Watsonville. The first such meeting was held at Woodside Sept. 25.

NEYLAN SPEAKS

Principal speaker Wednesday was John Francis Neylan, noted attorney, who talked for more than an hour to the crowd of some 800 persons who stood around a bonfire at Portola baseball field. Besides the talk by Neylan, short speeches were made by Joseph Chamberlain of Burlingame and Joseph A. Ernst of Woodside, who presided. A group of local musicians assembled by Bernard W. McCann provided music.

Neylan in his talk declared: "In days gone by, when men took a greater interest in public affairs and consequently voted more intelligently than they do today, these town meetings were an integral part of American life."

"They were one of the healthiest manifestations of American democracy. Problems confronting the people were discussed and settled by the people with no help from the politicians."

"Today the American people are confronted with one of the most serious problems in their history. It is the third term issue, the issue that will decide whether the American people will govern themselves or submit to a dictatorship."

Neylan will speak at Burlingame High School at 8 p.m. tonight.

Following the meeting, Neylan and Chamberlain answered questions that had been submitted prior to the session. The meeting was considered an outstanding success, people coming from all sections of the Portola Valley and standing nearly two hours at the program. Despite the fact that more than 200 cars were parked around the field, traffic was handled without congestion by Woodside volunteer firemen.

In Fiji the human head is sacred and it is an insult to reach above it.

Bakers Win 2 Offices in Menokirk Club

The Bakers won at the election for Menokirk Club officers, held at the Methodist Church Tuesday night. Paul B. Baker, 39 Grand St., Redwood City, was elected president and Ernest C. Baker, San Carlos, was named vice president. The men are not related. Wesley Rose was chosen as secretary-treasurer for the coming year. Members of the board of directors will be appointed by the president. At the meeting the motion picture film of Sequoia High School scenes was shown by Ronald Anderson.

Review Board Provided For

Redwood City's personnel system, approved in the city election last Apr. 9, has been drafted and was passed to print by the city council Monday night.

The measure will provide for the selection of city employees on the basis of merit, "so that the best qualified persons available shall be brought into the service of the city."

The ordinance provides for a three-man board of review, with staggered terms of office, to hear appeals of employees in connection with conditions of employment or employment status. The board will be appointed by the city council.

Administration of the ordinance will be in the hands of the city manager, with rules prepared by him to be approved by the council. The city manager will prepare a position classification plan, to be approved by the board of review, and all jobs in the competitive service will be filled on the basis of this classification plan. A salary and wage plan, also prepared by the city manager, will be referred to the city council for approval.

EXEMPTIONS LISTED

Elective officers will not be included in the competitive service classification. Specifically excluded from the system are the following positions: Appointive boards, commissions and committees; city manager, port manager, police judge, city attorney, city clerk and city treasurer (combined), police chief, fire chief and head librarian. Temporary positions (positions filled for a period not exceeding 90 days) are also exempt.

Positions will be filled from employment lists of eligible persons, who have qualified by meeting the minimum requirements for the respective jobs and by passing examinations.

When a vacancy is to be filled, three names will be certified for each vacancy. A probationary period of six months follows appointments, during which an employee may be discharged or demoted without right of appeal. If an employee is rejected during the probationary period from a position to which he was promoted, he will be reinstated to his old position, unless charges are filed and he is discharged according to the provisions of the measure.

VETERANS GET PREFERENCE
A veterans' preference clause makes veterans and widows of veterans eligible for appointment by passing the entrance examinations, and they will be allowed credits of 5 per cent in making up lists of eligibles. Credits of 3 per cent will be allowed toward promotions.

Disabled veterans will be allowed a minimum of 10 per cent credits toward appointment to certain positions, provided the disabilities would not prevent the proper performance of their duties.

A provision of the ordinance, especially inserted to protect conscripted men, safeguards their employment status during their period of military service. Employees in the city's service for at least a year will receive a maximum of a month's pay while in training.

3-YEAR BLANKET PLAN
Present employees of the city, who have held their jobs for at least three years prior to adoption of the merit system, will be blanketed in and given regular status. Those holding jobs with

"Milestone Car" Presented to Contest Winners

Presentation of Chevrolet's "Milestone Car"—the 1,000,000th 1940 model produced by the industry's leader—was made at the New York World's Fair last week to Mr. and Mrs. Ernest Weinert (shown here), of Iron Mountain, Mich., owners of the millionth Chevrolet six-cylinder model, built in 1929. The Weinerts were winners of a nation-wide contest conducted by Chevrolet to locate No. 1,000,000. As guests of Chevrolet, the Michigan couple drove to New York, arriving at the Fair with more

than 110,000 miles on their '29 car, which Weinert had purchased as a used car, at a price of \$25. M. E. Coyle (left), general manager of Chevrolet, presented the new 1940 Special De Luxe model to the Weinerts. Chevrolet's production of a million units this year maintains a seven-year record of a million a year average, with the 1,000,000th 1940 car following No. 900,000 by exactly one month. The well-traveled 1929 model has been returned to Detroit, where it will be placed on display.

James J. Morris Is Taken by Death

After a month's illness, James J. Morris, gardener residing at 39 Finger Ave., Redwood City passed away Tuesday. He had lived in Redwood City for 20 years, and belonged to Ventura Lodge Independent Order of Odd Fellows; Olive Encampment; Standard Life Association, and Olive Branch Lodge 48, Rebekahs.

Surviving relatives include his wife, Alice Pearl Morris, and three children, Victor, Leroy and Mona Morris.

The city for more than six months but less than three years will be required to pass a qualifying examination. If they qualify, they will be appointed to their jobs irrespective to their standing on the eligible lists.

Employees may be suspended for as long as 30 days without appeal, but department heads making such suspensions will be required to give the employee a written statement of explanation.

Any employee who is dismissed, demoted, or has his pay cut, or has a complaint against his employment status or conditions of employment, may ask for a hearing before the board of review.

MAY ABOLISH POSTS
The city council may abolish positions for economy or when the reasons for such positions no longer exist. Employees laid off for lack of work or economy will be placed at the top of the employment lists.

In keeping with the "little Hatch act," the ordinance carries a provision banning "improper political activity" of city employees in the competitive service. Such employees cannot serve as officers in political organizations, although they may be members, and cannot take active parts in county or municipal campaigns, or make contributions to such campaigns.

MENLO PARK — Fremont Memorial Park was termed a "disgrace" to the city, and a "symbol of false economy" in a letter of protest to the Menlo Park City Council from the Menlo Park Woman's Club Tuesday.

The civic improvement section of the club, writer of the letter, demanded that some work be undertaken on the park and a second letter, written by Mrs. Carol A. Devoil, stated: "My recollection is that in the deed of gift, J. F. C. Hagens (donor of the land on which some of the park is situated) stipulated that it be planted and properly cared for..."

Councilman Hugo May, former park commissioner, immediately met the protest with submission of a plan for Memorial Park development which he said had been drawn up a year ago.

"If I get approval of these plans, I'll attempt to form a committee to work on the development of the park," Captain May told the council.

"Memorial Park bothers me, too, but I'd hate to spend any more money until we get a plan and know what we're going to do," remarked Council Member Paul Bryant.

The board voted to take up the plan as a special order of business at the next meeting. Veterans organizations in Menlo Park told the council they would participate in the Armistice Day parade next month.

"Due to irregular procedure in your not writing us, veterans' participation in Armistice Day almost missed the boat. Tonight we voted to participate, and we'll do the best we can on such short notice," said Frank Whitney, representing the American Legion.

MENLO PARK—Palo Alto veterans organizations have assured Menlo Park that they will "participate 100 per cent" in the Armistice Day celebration to be held there this year.

This assurance was received in a letter to Mayor Joseph Day, acknowledging this invitation to march in the Armistice Day parade an entertainment.

Reasons given were that the Palo Alto celebration of Armistice Day will not be held this year because of underpass construction, thus enabling the service organizations to go to Menlo Park.

Larry L. Johnston has been named as general chairman of the Menlo Park celebration. Councilman Paul Bryant is secretary. Councilman Henry Carroll is to be in charge of refreshments and the barbecue following the parade.

Thursday evening the general committee is to meet in the city hall to complete its final plans. Marching units are being lined up by Capt. Hugo May and Capt. Robert C. Padley, who are in charge of this aspect of the celebration.

Coconut Cake Fingers

Broadcast by Mary Lee Taylor October 3, 1940

1 plain loaf cake 8 x 4 x 3 in.
1 1/2 cups light brown sugar, lightly packed
1/4 cup melted butter
1/2 cup Pet Milk
3 cups shredded coconut, chopped

Turn on oven and set at moderate (375° F.). Cut loaf cake into 18 fingers about 1 x 1 x 3 inches long. Mix together in bowl light brown sugar, melted butter and milk. With the aid of 2 forks, dip cake fingers, one at a time, in the sugar mixture, covering all sides. Hold cake pieces on forks to allow excess mixture to drain back into the bowl. Then roll each piece, as it is dipped, in the shredded coconut. Put on greased baking sheet. Bake 10 minutes, or until coconut is lightly browned. Remove from pan while warm. Cool before serving. Makes 1 1/2 dozen.

Herbert F. Beer, Well-Borer, Dies

Herbert F. Beer, well-driller who had lived for 58 of his 61 years in Redwood City, was found dead in bed at his home at 131 Monroe St. Wednesday. He had been in failing health.

YMCA To Sponsor Halloween Party Again at McKinley School Here

Entertainment

'Hal' Burdick To Speak

YMCA committeemen Tuesday night made plans for the third annual Halloween Party—to be held at McKinley School Auditorium Thursday, Oct. 31.

Harold P. (Hal) Burdick of "Night Editor" radio fame will again be the headline story teller.

The program will include also music by the McKinley School band, moving pictures and other entertainment, according to "Y" Secy. Thomas W. Badley.

Purpose of the annual party, which has been held for the past two years under sponsorship of YMCA clubs, is two-fold: to give the children of this district a constructive program to occupy their time on Halloween evening and to secure canned goods for the annual Christmas basket distribution. Admission will be a can of food.

Robert Daniels Held On Death Complaint

Robert Daniels, 27, San Jose laborer, was jailed yesterday and released on \$1000 bail after the State Highway Patrol filed charges of negligent homicide against him. He was arrested in San Jose and booked at Redwood City.

Daniels' arrest resulted from the deaths of two passengers in his automobile, which on Sept. 28 struck a bus on Bayshore Hwy. near San Carlos. The victims were Daniels' companion, Gladys Jones, 21, San Jose, and Mrs. Nick Ninauro, 19, Santa Clara. Mrs. Ninauro's husband was critically hurt.

Zehender Heads State's Sportsmen

Years of conscientious work on behalf of sportsmen and wildlife conservation in California have brought George J. Zehender of 65 Hillview Ave., Redwood City, perennial secretary of the Redwood City Sportsmen's Club, the presidency of Associated Sportsmen of California.

Zehender was elected at the 16th annual convention of the organization this past weekend in Stockton, succeeding Bill Bergschickler of Salinas. Last year Zehender was first vice president.

Mrs. Agnes Zehender, wife of the new president, is herself president of the San Francisco Sportswomen's Club and an active worker in behalf of conservation.

Sportsmen at the convention favored bills barring the use of live minnows for bait in Sierra lakes and streams and prohibiting all netting of striped bass in the brackish waters of the delta region. Many bass now are taken

Warning Issued About Bogus \$5 Bills

Capt. Thomas B. Foster, U. S. Secret Service chief in San Francisco, has issued a warning that the Bay Area, including the Peninsula, is being flooded with bogus \$5 bills. More than 20 of the bills have been reported, he said.

The worthless plasters bear a smudgy likeness of Abraham Lincoln and have no silk threads in the paper. The genuine bill, Captain Foster explained, is a clean-cut engraving. The paper

contains minute silk threads, which although not ordinarily visible to the unaided eye, can be seen plainly under a microscope.

The false bills look as though they may have gone through a laundry, Captain Foster said.

The year 1940 marked the 500th anniversary of the "movable type" printing industry. 300th year of American printing and 250th year of American paper making.

Removal of 'California' From Book Suggested

SAN CARLOS—Belief that the most San Carlos can hope for is to get the "California" removed from the "San Carlos, California" reference on the dust cover of the new book, "Death Joins the Woman's Club," was expressed today by A. N. Gamble, president of the chamber of commerce.

Gamble pointed out that the book itself did not specify that

the "San Carlos" was in California and that actually it might have been anywhere. The packet around the book, however, included the California, he said, and offered the opinion that it might be possible to get the publishers to put other jackets on future issues of the publication, which has aroused the ire of some residents here because of remarks in the volume which are regarded as insults to this city.

The chamber directorate did

DENTAL PLATES

that everywhere dentists are using and recommending the new Beautiful TRANSPARENT Materials

Acclaimed as they are by so many dentists for their natural appearance, the dainty transparent materials are noted for their close resemblance to the human tissue. The delicate color tones are so cleverly and artistically treated that the result is one of realism never thought possible in the past when the older type materials were used for dental plates. Their sheer beauty and lifelike appearance, matched with a remarkable toughness in texture that makes them strong and durable, are factors in the construction of dental plates that are pleasing, sanitary and comfortable.

Gans' Report Shows Status

General health of San Mateo County, as reflected in a statistical analysis released here of all cases of communicable disease for 1939, is in good condition, according to Health Director C. C. Gans.

Sole abnormal index was 2952 cases of measles, which, Dr. Gans said, was epidemic in statewide scope for the year. There were 347 cases of chickenpox and 394 cases of mumps, but neither figure was considered serious by Dr. Gans.

Scarlet fever, he reported, previously quite prevalent as a children's disease, has been greatly curtailed (51 cases) due to diligent work of the department in co-operation with the public schools. Whooping cough was at the lowest level for three years with 87 cases compared to 230 in 1938.

NO TYPHOID, MALARIA

Water borne diseases (malaria, dysentery, typhoid) were practically non-existent, he reported, due to the intensive program of water sample analysis carried on by the county health department.

There were 141 new cases of tuberculosis reported for the year, but more than half (75) were non-resident cases. The increase in San Mateo County cases was attributed to an intensive case-finding program instituted by the department.

The yearly report showed 73 cases of gonorrhea and 84 of syphilis. Dr. Gans declared the incidence of the diseases are no higher, but reporting by nurses and doctors has improved greatly.

Diphtheria and smallpox were at low levels as a result of an immunization program instituted by the department last year, Dr. Gans said.

COMMUNICABLE DISEASES

Totals for the county showed communicable diseases in the following numbers: Chicken pox 347, diphtheria 8, erysipelas 9, food poisoning 35, German measles 11, gonorrhea 73, influenza 44, malaria 1, measles 2952, meningitis 2, mumps 394, oph-

Check Passer Admits Guilt, Asks Probation

Demetrio Rocchi, suspected of being a member of a statewide check forging ring, pleaded guilty in superior court here to the complaint that he passed a worthless \$30 check on a Redwood City restaurant. His motion for probation continued sentence for two weeks. Rocchi, according to Dep. Dist. Atty. Burrell Karmel, is wanted in Oakland and Stockton.

Fred E. Threlkeld, held on a charge of attempting to burglarize a Burlingame cafe, pleaded not guilty and trial was set before Judge Maxwell McNutt for Monday at 11 a.m.

Frank J. McMahon, Daly City, on probation for a morals charge, pleaded guilty to a charge of stealing an automobile from Burlingame and faces possible parole violation action. Sentence will be imposed Thursday.

Theodore Spencer, Burlingame, who pleaded guilty to passing a \$47 check in Burlingame, was sentenced to jail for six months by Judge A. R. Cotton. He was placed on probation for two years and instructed to make restitution.

\$20.00 FOR YOUR OLD STOVE

SPECIAL FALL TRADE-IN ALLOWANCE OCT. 4 to 19

COOK THE NEW WAY WITH A CP GAS RANGE

When you turn in your old stove on a 1941 C.P. Gas Range, you'll discover in the first week what is meant by "Cook the New Way," and you'll like it!

You'll like the top burners that light automatically. You'll like the wide range of heat variations. You'll enjoy semi-waterless cookery of vegetables on simmer burners. You'll be delighted with better roasting and baking in the spacious insulated ovens. You'll broil steaks and chops in the smokeless broiler.

You've probably wanted a new stove for years. Now own one. Trade in your old stove and save money. Twenty dollars for your old stove IS A BIG ALLOWANCE and is good for a limited time only.

This \$20 Trade-in Offer applies to all makes of Gas Ranges listed herewith that sell for \$129.50 or more. However, C.P. models are not available in all makes. • BUCK'S • CHAMBERS • ENTERPRISE • ESTATE • FLORENCE • GARDNER & SUTLER • MAGIC CHIEF • NORGE • OCCIDENTAL • ODIN • ROYAL • SPARK • TAPPAN • UNIVERSAL • WEDGWOOD.
